

PLASTERING

Level 1 Diploma Plastering

Level 2 Technical Certificate Plastering

COURSE FEATURES

- Multimillion pound Centre of Excellence in Engineering and Construction at Pagefield centre.
- Dedicated plastering workshops.
- Student winners of WorldSkills UK National Finals.
- Strong links with employers.
- Highly qualified tutors with industry experience.
- Department recognised by the Plaisterer's Guild as best in the North.

A career in plastering can be diverse and rewarding. This industry requires a high level of skill and precision. You will need a steady hand and a head for heights to use ladders and working platforms to carry out internal and external tasks. You will start at Level 1 and build the skills and knowledge to progress to Level 2.

CAREER PROSPECTS

- A highly experienced plasterer can earn up to £34k a year.

WHAT WILL I STUDY?

You will carry out safe working practices in construction, use information, quantities and communicate with others, learn building methods and construction technology, prepare background surfaces and plaster materials, apply plaster materials to internal backgrounds and produce components from moulds

You will progress to learn how to apply plaster materials to external surfaces, fix dry lining and plasterboard products to interiors, form sand and cement screeds, produce plaster components, apply plaster materials to internal surfaces, position and secure fibrous plaster components and take a practical assessment.

COURSE LENGTH

Courses are full-time for one academic year.

HOW WILL I BE ASSESSED?

You will take a short test and have practical assessments. There is also an externally set theory test at the end of the **Level 2** course.

WHAT CAN I PROGRESS TO?

You may progress to apprenticeships, employment or self-employment. The college has strong links with employers who send more than 300 students on a day release basis to study construction trades.

If you have any queries please contact our Admissions Team: **01942 761 111** or email: applications@wigan-leigh.ac.uk
