WHAT WILL I STUDY?

The **Level 1** programme will provide an insight into the basic skills for employment in the floral industry at a junior level. You will develop the essential skills of floristry techniques and create simple well-designed floral items.

At **Level 2** you will build your skills and knowledge on two core units, including a work placement, to gain industry experience. You will also choose four from these specialist units: assembling floristry designs; floristry designs in medium and basic display techniques; interior and exterior design; plant identification and use; customer care; and plant display techniques.

The **Level 3** course will develop your knowledge and design techniques with European styles and intricate wirework. You will also study a specialist project, business management and seven other assignments, including practice and theory.

COURSE LENGTH

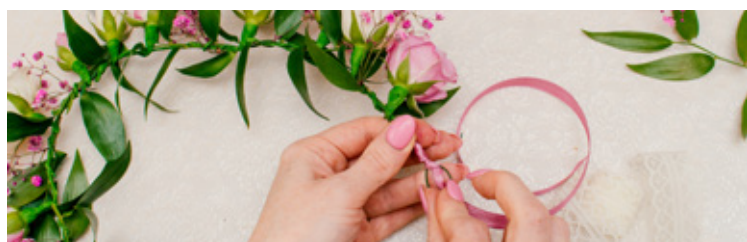

All courses are full-time for one academic year.
Level 3 NCFE Certificate in Creative Craft Floristry is run part-time

HOW WILL I BE ASSESSED?

At **Level 1** through continuous practical and written methods.
At **Levels 2 and 3** you will complete skill-based assessment and assignments with a portfolio of evidence.

WHAT CAN I PROGRESS TO?

You may progress from **Level 1** through to **Level 3**.
If you succeed at **Level 3**, you may want to secure employment, an apprenticeship or higher level study, including a foundation degree.
