

JOINERY

Level 1 Diploma in Carpentry & Joinery

Level 2 Technical Certificate in Site Carpentry & Joinery

COURSE FEATURES

- State-of-the-art purpose built Centre of Excellence in Construction and Engineering.
- Work experience in industry placements.
- Extensive links with employers, including Galliford Try, Modularize, Bloor Homes, DroneWorks and Laing O'Rourke.
- Involvement in community projects such as the refurbishment of Leigh Masonic and Haigh Hall, and Golborne School wetlands.
- Involvement in work at Wigan North Western Rail Station.
- Compete in World Skills and other regional competitions.

If you are interested in the construction industry, an exciting and rewarding career in joinery may be just for you. You will gain the skills to become craftspeople with excellent employment prospects. Hands-on experience, under the supervision of industry and education professionals, will equip you with the skills to succeed.

CAREER PROSPECTS

- Experienced Joiners can expect to earn from £27,000-£37,500, with experience up to £42,395 a year.

WHAT WILL I STUDY?

An insight into the practical and theoretical study behind the industry. You will learn how to carry out safe working practices, gain knowledge of quantities, building methods and technology relating to joinery, to prepare you for employment.

COURSE LENGTH

All courses are full-time for one academic year.

HOW WILL I BE ASSESSED?

Through continual assessment using practical observations, written assignments and a final assessment at **Levels 2**

WHAT CAN I PROGRESS TO?

You can progress from **Level 1** to **Level 2**. You could then develop a successful career through apprenticeships.

If you have any queries please contact our Admissions Team: **01942 761 111** or email: **applications@wigan-leigh.ac.uk**
