

PAINTING & DECORATING

Level 1 Diploma Painting & Decorating

Level 2 Technical Certificate Painting & Decorating

COURSE FEATURES

- Multimillion pound Centre of Excellence in Engineering and Construction.
- Dedicated painting and decorating workshops.
- Student winners of regional and Skillbuild competitions.
- Strong links with employers.
- Highly qualified tutors with industry experience.

A career in painting and decorating can be diverse and rewarding. This industry requires a high level of skill and precision. You will need a steady hand and a head for heights to use ladders and working platforms for internal and external duties. You will start at Level 1 and build the skills and knowledge to progress to Level 2.

CAREER PROSPECTS

- Painters and decorators can earn between £17k - £32k.

WHAT WILL I STUDY?

You will gain practical skills and theoretical knowledge. You will learn to carry out safe working practices; read key industrial information; work with quantities and communicate with others; learn building methods and construction technology; prepare surfaces for decoration, apply paint systems by brush and roller; apply foundation and plain papers; and produce specialist decorative finishes. As you progress you will develop skills to apply standard papers to walls and ceilings, waterborne paint systems using high volume low pressure (HVL) spray equipment, erect and dismantle access equipment and working platforms.

COURSE LENGTH

All courses are full-time for one academic year.

HOW WILL I BE ASSESSED?

You will be regularly assessed throughout each programme through tests and practical assessments. You will sit a more comprehensive test at the end of each course.

At **Level 2** you will sit a theory exam and a practical assessment.

WHAT CAN I PROGRESS TO?

You may progress to apprenticeships, employment or self-employment.
